

## CANBERRA – ICT Audit Analyst (APS5)

### About the Aurora Neuroinclusion Program:

Services Australia's Aurora Neuroinclusion Program (Aurora) aims to improve work and career outcomes for people with an autism or ADHD diagnosis.

Together with Employ for Ability, Aurora offers a unique recruitment process that's flexible, safe, supportive and inclusive. Aurora offers roles in a variety of fields and:

- provides a career pathway into the agency for people with an autism or ADHD diagnosis
- demonstrates the individual and organisational benefits of employing people with autism or ADHD through an inclusive recruitment process
- showcases the diverse and unique skills and attributes people with an autism or ADHD diagnosis have to offer in employment
- aims to increase the representation of people with disability in the agency and the Australian Public Service (APS).

Aurora offers:

- a tailored and flexible assessment phase
- ongoing roles with attractive working conditions
- job security with a competitive salary
- opportunities to develop skills to support your career.

We're looking for people who:

- are keen to learn
- want to make a positive difference in the lives of Australians
- want to start their career in the APS.

If you're successful and matched to a role, you'll be offered a full-time ongoing position. If you're rated suitable and not matched to a role, you'll be placed in a merit pool for up to 18 months. The merit pool is active for 18 months from the advertising date. If a position becomes available during that time you may be considered for that position.

### Available position

Aurora is accepting applications from eligible candidates for the following role based in **Canberra**:

### ICT Audit Analyst (APS5) – Technology and Digital Programs Group

If you have an interest in ICT auditing this could be the role for you!

ICT Audit Analysts provide support to the Audit Management team to manage information technology audit and assurance activities. They work collaboratively with stakeholders within an experienced ICT Audit Management team to deliver accurate and detailed analysis, audit findings and assurance measures. They build an understanding and knowledge of internal and external ICT audit processes, the agency's risk management framework and business procedures.

This position is in the ICT Audit Management team with the Technology Business Management branch. The branch is responsible for planning and intelligence gathering to support the Technology and Digital Programs Group (TDP). The ICT Audit Management team manage internal and external audit matters to fulfill audit obligations and improve ICT assurance capability for the TDP group. They provide advice to ICT operational teams in response to audit requests and provide a streamlined process to manage all ICT matters for the TDP group. They perform the role of trusted adviser for executives (both internal and external) regarding strategic matters related to ICT audits.

### What you'll do:

#### As an ICT Audit Analyst (APS5), you work as part of a multi-skilled team to:

- provide support to manage the timely completion of audits
- perform moderately complex audit activities
- interpret, collate, research and analyse information
- keep accurate and detailed records
- complete duties in accordance with audit legislation, policies and procedures
- support the team to plan, coordinate, conduct and review assurance activities thoroughly, fairly and impartially, to ensure a high standard of audit findings.

### What you should have:

These things are important to have.

The ability to:

- think critically and apply solid problem-solving skills
- demonstrate a high level of accuracy and attention to detail
- work independently and seek assistance when required

- work collaboratively with staff, agency stakeholders and customers
- analyse information, identify issues and report your findings
- learn new software platforms and programs
- interpret, apply and explain legislation, policy and procedures
- maintain high integrity and confidentiality when dealing with sensitive information.

### **What is nice to have:**

These things aren't essential, but if you have them that's great:

- the ability to obtain knowledge of Federal Government Legislative Framework ([Legislation and standards | Australian National Audit Office \(ANAO\)](#) – Accounting/Auditing Standards
- the ability to obtain knowledge and experience of internal and external audit processes, the Assurance, Risk Management and COBIT-5 ICT governance frameworks and apply these to the role
- a demonstrated ability to navigate and work within ICT systems.

### **Security Clearance:**

Negative Vetting Level 1 security clearance (or the ability to obtain and maintain) is required for this role.

### **How to apply**

Apply for the Aurora Neuroinclusion Program through [Employ for Ability](#).

There are 3 stages to our recruitment process:

- application
- assessment
- [selection](#).

### **Before you apply**

Before you apply, check if you're [eligible](#).

To be eligible, you need to provide evidence of a diagnosis of either:

- Autism Spectrum Disorder/Condition, including autistic disorder (autism), Asperger's syndrome, childhood disintegrative disorder, or pervasive developmental disorder not otherwise specified (PDD-NOS)
- Attention Deficit/Hyperactivity Disorder (ADHD).

Evidence may include either:

- a full diagnostic report or a redacted section of your report that states autism or ADHD as a diagnosis
- a letter from a psychologist, psychiatrist or general practitioner confirming a diagnosis of autism or ADHD
- information confirming your diagnosis from a supporting agency such as the NDIS or a Disability Employment Services provider.

If you have any questions or concerns about your evidence, please contact [aurora@employforability.com.au](mailto:aurora@employforability.com.au).

In addition to providing evidence of your diagnosis, you'll need to provide:

**Proof of Australian citizenship – please refer to the information at the bottom of this document for details.**

**You must also:**

- undergo an Australian government security clearance, including a criminal history check
- live (or be willing to relocate to) a daily commutable distance to the Canberra CBD

You may also be required to obtain a Baseline security clearance.

**Tell us about you**

- If you don't have a current CV or resume you may create one by listing your current and previous work and educational history (in date order from most recent to least recent on a Word document and upload to your application).
- Make sure you include any volunteer work which would showcase your skills and demonstrate your suitability for the role.

In addition to demonstrating you meet the eligibility requirements, you must also provide a response to the **3** applicant response questions listed below:

**Applicant response:**

We ask that you write a one-page document (minimum 11pt font in Word or PDF format) that provides more information about you to support your application for this opportunity. This must be uploaded as an attachment on the application page.

In your response, please describe the following:

1. How your skills, knowledge and experience are relevant to this role.
2. What motivates you to apply for this role.
3. Any specific examples or achievements that demonstrate your suitability for the program.

To answer these questions, you may use work or study examples or from personal experience you may have (for example as a hobby from home). Ultimately, we'd like to know more about you and why you feel you would be suited to this role.

**Notes on the assessment process:**

Shortlisted applicants will be invited to attend a screening workshop, held in the **Canberra CBD**. Following this, a final shortlist will be conducted and those candidates will advance to the final stage

of the recruitment process. This is a **multiple day assessment** led by Services Australia also held in the **Canberra CBD**.
