

BRISBANE– Business Analyst (APS5)

About the Aurora Neuroinclusion Program:

Services Australia's Aurora Neuroinclusion Program (Aurora) aims to improve work and career outcomes for people with an autism or ADHD diagnosis.

Together with Employ for Ability, Aurora offers a unique recruitment process that's flexible, safe, supportive and inclusive. Aurora offers roles in a variety of fields and:

- provides a career pathway into the agency for people with an autism or ADHD diagnosis
- demonstrates the individual and organisational benefits of employing people with autism or ADHD through an inclusive recruitment process
- showcases the diverse and unique skills and attributes people with an autism or ADHD diagnosis have to offer in employment
- aims to increase the representation of people with disability in the agency and the Australian Public Service (APS).

Aurora offers:

- a tailored and flexible assessment phase
- non-ongoing and ongoing roles with attractive working conditions
- job security with a competitive salary
- opportunities to develop skills to support your career.

We're looking for people who:

- are keen to learn
- want to make a positive difference in the lives of Australians
- want to start their career in the APS.

If you're successful and matched to a role, you'll be offered a full-time non-ongoing or ongoing position. If you're rated suitable and not matched to a role, you'll be placed in a merit. The merit pool is active for 18 months from the advertising date. If a position becomes available during that time you may be considered for that position.

Aurora is accepting applications from eligible candidates for the following role based in **BRISBANE**.

Business Analyst (APS5) – Program Design Group

Business Analysts articulate and document business requirements, capturing business needs. They work to understand how the agency functions in order to achieve its purpose and goals.

Business analysts develop and understanding of the current state of the agency and identify future business needs and capabilities required to deliver services to customers and stakeholders. They analyse information provided by customers, staff, IT professionals, executives and external stakeholders, seeking to define and validate solutions that meet business needs, goals and objectives.

They may facilitate communication between business units. They often play a central role in aligning the needs of business units with the capabilities delivered by information technology or business activity and act as a conduit between different stakeholder groups.

This role is in the Medicare Benefits team, Medicare Branch. The Medicare Benefits team is responsible for the administration and maintenance of the Medicare Benefits Schedule (MBS) and the systems used to assess the eligibility of services performed under the MBS. The team develops and maintains MBS items, supporting systems, operational policies and procedures and educational material.

What you'll do:

As a Business Analyst (APS5) you work as part of a multi-skilled team to:

- contribute to the creation of action plans, solution reports and business cases
- liaise with stakeholders to understand their requirements and concerns
- contribute towards business analysis approaches that may specify team roles, deliverables, analysis techniques or stakeholder communication
- assist with recommendations for improvement and provide support on the analysis, verification and validation of recommendations
- support stakeholder analysis to assist with effective stakeholder engagement across business functions

- draft business analyst artefacts and documents including low risk analysis, scope modelling, problem tracking and sequence diagrams
- contribute to change management and communication plans
- participate and support brainstorming, workshops, prototyping, observation or interviews and confirm or report on results
- identify potential issues or risks, track problems and escalate as appropriate
- contribute to performance reporting activities and or variance analysis.

What you should have:

These things are important to have.

The ability to:

- think critically and apply solid problem-solving skills
- demonstrate a high level of accuracy and attention to detail
- work independently and seek assistance when required
- work collaboratively with staff, agency stakeholders and customers
- analyse information, identify issues and report your findings
- learn new software platforms and programs
- interpret, apply and explain legislation, policy and procedures.

What is nice to have:

These things aren't essential, but if you have them that's great:

Knowledge and understanding of:

- Business Analysis Body of Knowledge (BABOK)
- Business analysis techniques and tools.

How to apply

Apply for the Aurora Neuroinclusion Program through [Employ for Ability](#).

There are 3 stages to our recruitment process:

- application
- assessment
- [selection](#).

Before you apply

Before you apply, check if you're [eligible](#).

To be eligible, you need to provide evidence of a diagnosis of either:

- Autism Spectrum Disorder/Condition, including autistic disorder (autism), Asperger's syndrome, childhood disintegrative disorder, or pervasive developmental disorder not otherwise specified (PDD-NOS)

- Attention Deficit/Hyperactivity Disorder (ADHD).

Evidence may include either:

- a full diagnostic report or a redacted section of your report that states autism or ADHD as a diagnosis
- a letter from a psychologist, psychiatrist or general practitioner confirming a diagnosis of autism or ADHD
- information confirming your diagnosis from a supporting agency such as the NDIS or a Disability Employment Services provider.

If you have any questions or concerns about your evidence, please contact aurora@employforability.com.au.

In addition to providing evidence of your diagnosis, you'll need to provide:

Proof of Australian citizenship – please refer to the information at the bottom of this document for details.

You must also:

- undergo an Australian government security clearance, including a criminal history check
- live (or be willing to relocate to) a daily commutable distance to the **Brisbane CBD**.

Tell us about you

- If you don't have a current CV or resume you may create one by listing your current and previous work and educational history (in date order from most recent to least recent on a Word document and upload to your application).
- Make sure you include any volunteer work which would showcase your skills and demonstrate your suitability for the role.

In addition to demonstrating you meet the eligibility requirements, you must also provide a response to the **3** applicant response questions listed below:

Applicant response:

We ask that you write a one-page document (minimum 11pt font in Word or PDF format) that provides more information about you to support your application for this opportunity. This must be uploaded as an attachment on the application page.

In your response, please describe the following:

1. How your skills, knowledge and experience are relevant to this role.
2. What motivates you to apply for this role.
3. Any specific examples or achievements that demonstrate your suitability for the program.

To answer these questions, you may use work or study examples or from personal experience you may have (for example as a hobby from home). Ultimately, we'd like to know more about you and why you feel you would be suited to this role.

Notes on the assessment process:

Shortlisted applicants will be invited to attend a screening workshop, held in the **Brisbane CBD**. Following this, a final shortlist will be conducted, and those candidates will advance to the final stage of the recruitment process. This is a multiple day assessment led by Services Australia also held in the **Brisbane CBD**.
